

Gold Country Driving School

Welcome to our online drivers education program.

This course was created to be as convenient and as interesting as possible; our online program was designed to include interactive games and videos to keep you learning while actually enjoying your time on our site.

The interface is very easy to use, when you register for our Online Drivers Ed, you can choose your own password and username and gain access to our Online Driver Education

This course is divided into 22 chapters, with video interaction and video clips throughout. Once you finish each chapter you will have a short quiz to test your knowledge. *You must get a mandatory 75% to move to the next chapter.* When you pass the quiz you will be able to save your score, if you missed too many questions, you will be able to go back and read over the material and retake the quiz. The computer will grade the tests and you will know immediately if you have passed.

Upon successful completion of the driver education course, we will send the original certificate of completion to you. Your fee for the course includes the entire program and the completion certificate.

Online Course Fee Amount: \$67.00 paid through PayPal
